

Contacts which are not listed are not used.

**A - Multi-pin connector, 8-pin, brown (T8p)**

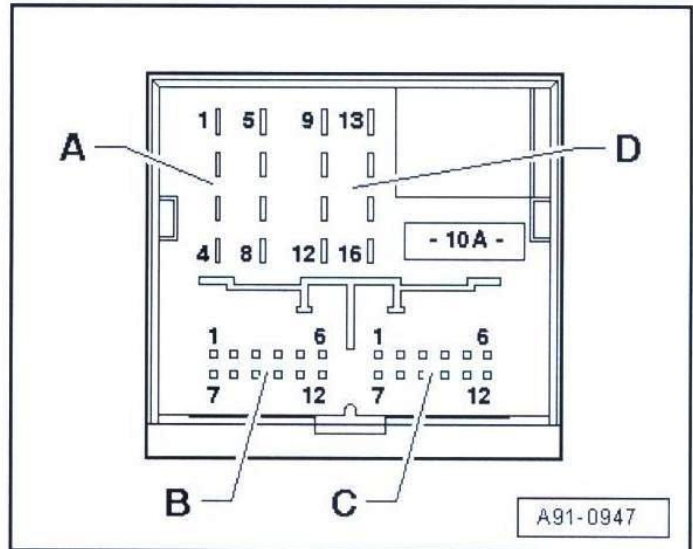

- 2 - Loudspeaker (+) (front right) (not with BOSE)
- 3 - Loudspeaker (+) (front left) (not with BOSE)
- 6 - Loudspeaker (-) (front right) (not with BOSE)
- 7 - Loudspeaker (-) (front left) (not with BOSE)

**B - Multi-pin connector B, 12-pin, blue (T12l)**

- 1 - Signal (left-side) from digital radio - R147-
- 2 - Signal earth to CD changer -R41-
- 3 - Signal earth from digital radio -R147-
- 4 - Permanent live to CD changer -R41-
- 5 - BOSE coding to earth (only with BOSE)
- 6 - CD data output to CD changer -R41-
- 7 - Signal (right-side) from digital radio - R147-
- 8 - Signal (left-side) from CD changer - R41-
- 9 - Signal (right-side) from CD changer - R41-
- 10 - Switched positive to CD changer -R41-
- 11 - CD data input from CD changer -R41-
- 12 - CD-CLK from CD changer -R41-

**C - Multi-pin connector, 12-pin, black (T12m)**

- 1 - Speed signal (not used)
- 2 - Signal from reversing light switch -F4- (not used)
- 3 - Signal (front left) to amplifier -R12- (only with BOSE)
- 5 - Signal (rear left) to amplifier with bass loudspeaker -R44- in luggage compartment (left-side) / amplifier - R12-
- 6 - NF- (low frequency) from telephone transmitter and receiver unit -R36- / pre-fitted components for mobile phone installation
- 7 - K-diagnosis
- 8 - Signal earth to amplifier with bass loudspeaker -R44- in luggage compartment (left-side) / amplifier - R12-
- 9 - Signal (front right) to amplifier -R12- (only with BOSE)
- 11 - Signal (rear right) to amplifier with bass loudspeaker -R44- in luggage compartment (left-side) / amplifier - R12-
- 12 - NF + (low frequency) from telephone transmitter and receiver unit -R36- / pre-fitted components for mobile phone installation

**D - Multi-pin connector, 8-pin, black (T16g)**

- 9 - CAN Bus High (Infotainment)
- 10 - CAN Bus Low (Infotainment)
- 11 - NF mute (low frequency) from pre-fitted components for mobile phone installation
- 12 - Terminal 31
- 13 - Switched positive to amplifier with bass loudspeaker -R44- in luggage compartment (left-side) / amplifier - R12-
- 14 - Anti-theft alarm earth (not used)
- 15 - Terminal 30
- 16 - Permanent live to PIN 15 (anti-theft system)
